ASSA ABLOY, the global leader in door opening solutions.

Wall Mount

The Steadfast Holdback Door Stop range is designed to cushion the opening of hinged and folding doors and hold them open. Its innovative, sleek and robust design removes the need to bend down to the floor to latch or release the door. With a variety of mounting options, the Steadfast range is suitable for all situations where a door stop is required.

Features

- Self-latching
- Toe-operated release (except short version) means no bending down
- Sleek, robust design
- Concealed screw fixings
- Suitable for internal and external applications
- New Zealand made

Options

- Available in a range of powdercoat colours and satin chrome
- Floor, wall and door mount versions available
- Short version for between door panels
