

The world's favourite lock

Presslock for windows

The Presslock window lock is designed to give added security to multiple timber window applications. With its simplicity of design it makes locking up easy, while being compact and discrete.

Features

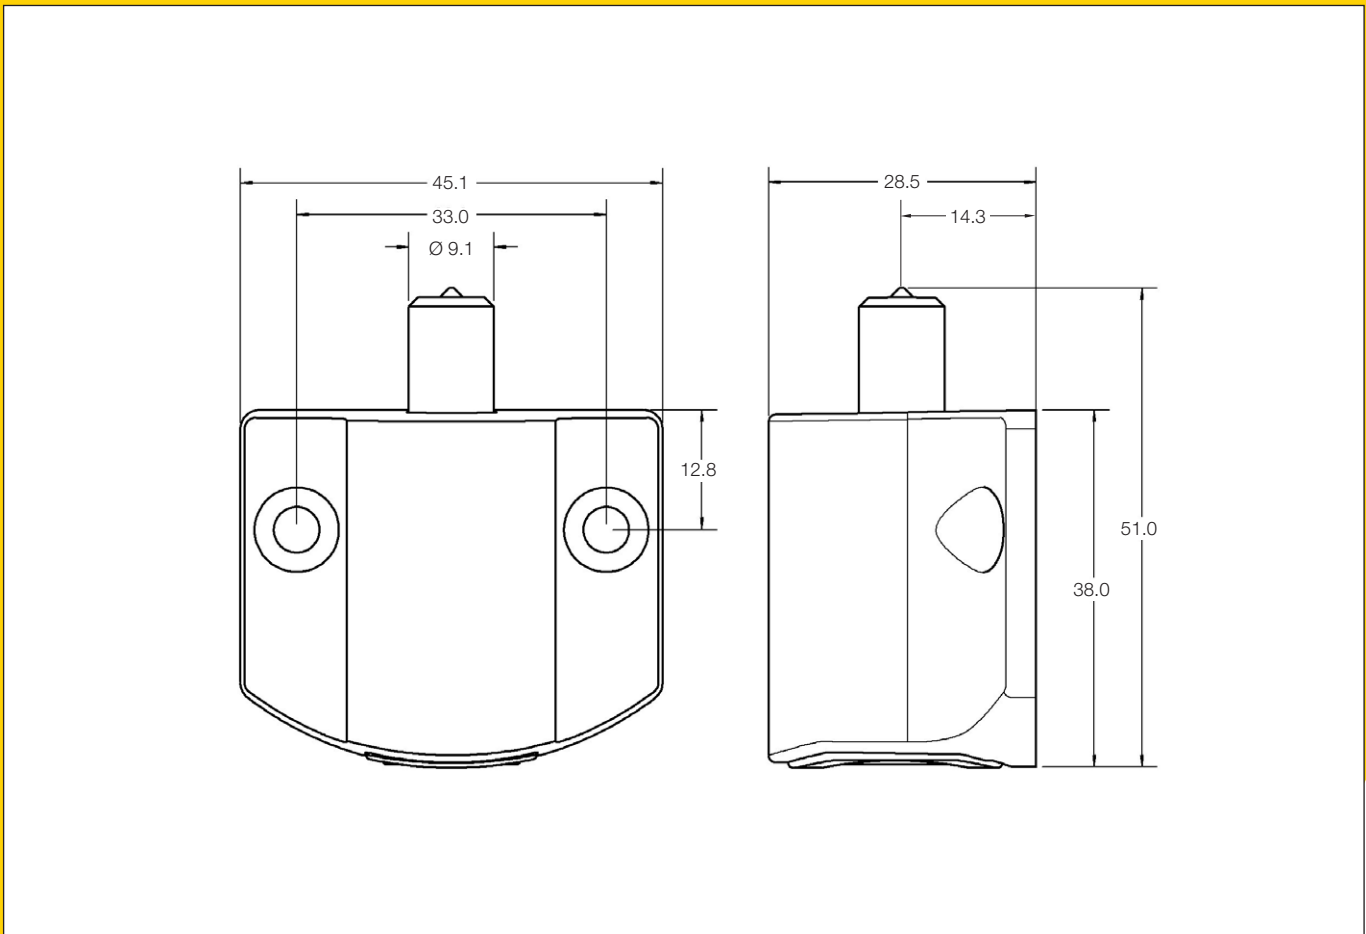

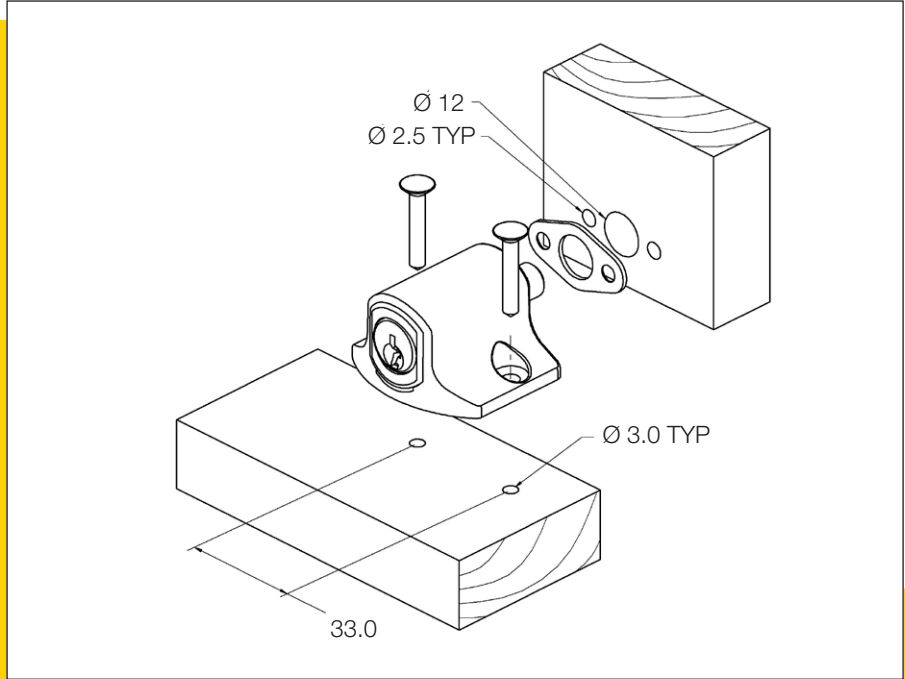

- Push button to deadlock
- Strongly constructed lock body for maximum durability and strength
- Versatile for a range of window applications
- Easy to install
- Stainless steel ferrule for added security
- Can be keyed alike to other ASSA ABLOY CYL4™ locks for one key convenience
- New Zealand made

Options

- One way fixing screws for top security
- Available in a range of colours to compliment any window design and finish
