

SCHLAGE

Medio Series

Door furniture

The Schlage Medio Series is designed for everyday living with a balance of perfect styling, function and aesthetics. The Medio Series includes five harmonious lever designs, providing the perfect look and feel to suit the styling of modern homes. These levers come in a range of high quality electro plated finishes including satin chrome plate, aged brushed copper and matt black. They are designed for residential use only and not for commercial applications, or for use with door closers.

The Medio Series features new QuickFix™ technology, which revolutionises the fixing mechanism for faster door hardware installation.

Features

- Available in five architecturally inspired lever designs
- Lever and rose constructed of high purity zinc alloy
- Built-in privacy push-button for ease of use
- Can be used with Schlage tubular latches, ME Series mortice locks or 990 Series mortice locks
- All levers are non-handed
- Concealed through fixed screws
- Centra lever is AS1428:1-2009 compliant
- Features new QuickFix™ technology - install door lever in under 30 seconds after installation of the latch and strike
- Rivera and Sierra are also available in high quality electro plated finishes - aged brushed copper (ABC) and matt black (MB)
