The E-LOK 9-SERIES

a few shades smarter

Gun Metal

New Zealand's Original Lock for narrow joinery has evolved. The new E-LOK 9-SERIES arrives in two new shades for the discerning homeowner. The battery life has been improved and the new IP66 Rating means it can withstand those unforgiving storms.

Powered by the same E-LOK app which has proven itself to be the most user friendly and intuitive interface on the market, the E-LOK 9-SERIES can be easily unlocked via Bluetooth or remotely via Wi-Fi*. Use any of the 6 available methods to gain entry. The choice is yours.

The E-LOK 9-SERIES is available in the narrow profile that fits our unique style of joinery. An extensive range of backsets are available to suit a wide range of timber and aluminium doors.

*E-LOK Gateway Add-on Required.
