Never Lose Your Keys.

Leave your keys at home with the E-LOK 8-Series Smart Lock. Powered by the same E-LOK App used with E-LOK 7-Series, 8-Series and 9-Series.

New for E-LOK 8-Series, is the addition with the 805W integrated WiFi Bridge and Silver finish option.

Easy retrofitting with adjustable top fixing-screw design. E-LOK 8-Series seamlessly covers the holes of common existing door locks.

E-LOK App allows for wide range of controls. Programme the 8-Series on Auto-lock or passage mode. Add and delete range of custom pincodes right from your phone and view access records including failed unlock attempts all while being away from your lock.
